

## BOOKS

### [Keeping Volunteers A Guide to Retention](#)

Relying on hundreds of program experiences and studies from around the world, *Keeping Volunteers* is the first to take a global perspective of effective techniques for ensuring that volunteers feel valued, recognized, and connected with the organization's mission. Identify what motivates volunteers to stay involved and prevent volunteer "burnout."

## [A People Lens](#)

### 101 Ways to Move Your Organization Forward

This guidebook expands on that concept of engaging "highly-skilled" volunteers, highlighting ways real organizations have found creative and innovative volunteer projects for a wide range of volunteers, often teaming them up with agency executives. The "101 ways" refers to the unusual and intriguing titles proposed for such positions along with each case study. Read them and consider new ways to engage experienced, retired people.
